WHEREAS, pursuant to Chapter 460 of the Texas Transportation Code, DCTA is authorized to enter into this Agreement with Coppell to provide transportation services; and

NOW, THEREFORE, for and in consideration of the mutual promises and covenants set forth in this Agreement, and other valuable consideration, the receipts and sufficiency of which is hereby acknowledged, the Parties agree as follows:

Article I Purpose

1.1 The purpose of this Agreement is to provide for the administration and operation of mobility services to improve access to jobs within the city limits of Coppel for trips originating in a defined geofence to destinations located in the geofence and to/from designated transit stops as defined in section 3.1(b). Mobility services may include DCTA directly providing transportation to employees and residents in Coppel or through third-party service providers that directly contract with DCTA, including but not limited to taxi providers and transportation network companies (TNCs).

1.2 DCTA may execute a task order for a period not to exceed twelve (12) months with a contracted mobility provider (e.g. Lyft) to deploy first/last mile mobility services in the city limits of Coppel and as defined in section 3.1(b). The hours and days of operation shall be agreed upon by the Parties and adjusted based on ridership.

1.3 DCTA has entered into an appropriate mobility services provider agreement to provide their services herein; and, DCTA shall receive assurances under such agreement regarding the services provided herein; and, Coppel's sole responsibility shall be to fund such services.

Article II Term

2.1 Initial Term. The Term of this Agreement shall begin on October 1, 2021 and continue for the period ending on September 30, 2022 unless sooner terminated as provided herein (the "Initial Term").

2.2 Termination. Either Party may terminate this Agreement, with or without cause, by giving sixty (60) days prior written notice to the other Party. After the Initial Term, the required notice to terminate shall be at least ninety (90) days.

Article III Services

3.1 DCTA shall provide the Mobility Services as follows:

- (a) Beginning on October 1, 2021, DCTA shall deliver the Mobility Services during the hours and days of operation as mutually agreed upon by the Parties and based on ridership.
- (b) Mobility services will initially be provided generally within the city limits to serve the workforce population and to and from designated transit stops and stations that fall outside the Coppel city limits. Specific parameters will be determined through the Task Order process and in coordination with DCTA and Coppel. Location of mobility services and geofence boundaries

may be amended in writing as mutually agreed upon by the Parties and based on ridership trends.

- (c) The Parties shall work together to analyze and review ongoing service levels and alternative Mobility Service delivery methods and cost estimates to meet the long-term public transit needs of Coppell.
- (d) During the term of this Agreement, DCTA shall provide all administrative and operational services associated with the Mobility Services including, but not limited to, employment and management of necessary and sufficient personnel, contract management of third-party providers, billing, customer service, program management, and data reporting and analytics.
- (e) During the Term of this Agreement, Coppell shall be responsible for all primary marketing and outreach efforts, with ancillary support provided by DCTA.

Article IV Compensation and Fees

4.1 DCTA Compensation. DCTA shall be reimbursed for one-hundred percent (100%) of all costs for services invoiced from the mobility provider associated with this agreement, and an administrative fee per the schedule in Exhibit 1. Total costs shall not exceed one-hundred thousand dollars (\$100,000) in a twelve (12) month period, unless amended as mutually agreed upon in writing by the parties.

4.2 Invoicing. On or before the last day of each calendar month during the Term of this Agreement, DCTA shall prepare a written invoice to Coppell including number of trips, operating expenses, and administrative management fees for the services provided in the previous month.

4.3 Payment. Coppell shall pay DCTA within thirty (30) days of the receipt of each monthly invoice.

4.4 Current Revenues. To the extent applicable, Coppell and DCTA acknowledge that Coppell shall make payment of the aforementioned sums from current revenues. Coppell further agrees to make all appropriations reasonable and necessary to effectuate the terms of, and its responsibilities under, this Agreement. However, the Parties recognize that the continuation of this Agreement after the close of any given fiscal year of Coppell, September 30 of each calendar year, shall be subject to approval by Coppell's City Council. This approval may be presumed if the City Council includes funding for the Mobility Services in an adopted budget. This Agreement cannot be an unfunded liability of Coppell in violation of the Texas Constitution's unfunded debt prohibition applicable to home-rule cities. The Parties agree that this Agreement may be terminated by Coppell with notice as provided herein, without any penalty or liability to Coppell except for monies owed DCTA for Mobility Services provided pursuant to this Agreement and for

any costs incurred for demobilization, in the event Coppell's City Council fails to approve or appropriate funds for any continuation of this Agreement.

4.5 Fares. Customers utilizing the first/last mile service will pay a fare that shall be subsidized by Coppell. The subsidy and amount paid by the passenger shall be mutually agreed upon by DCTA and Coppell.

4.6 Additional Services. In an effort to provide the best Mobility Services possible, DCTA may work with additional third-party service providers to enhance service delivery to Coppell. At all times, DCTA shall be responsible for contracting directly with the third-parties and shall be responsible for ensuring the overall customer experience and complying with this Agreement. Furthermore, DCTA shall be responsible for managing the cost of such service providers within the mutually agreed funding authorizations established and approved between DCTA and Coppell.

Article V Dispute Resolution

The Parties agree to make a good faith effort to resolve through informal discussions any disagreement or other dispute between them in connection with this Agreement (a "Dispute"). If a Dispute cannot be resolved through informal discussions, before seeking an alternative remedy, either Party must submit a written complaint to the other Party setting out the basis of the complaint and a proposed resolution to the Dispute. The Party receiving the complaint must respond in writing within twenty-one (21) days after receipt of the complaint, by accepting the proposed resolution, rejecting the proposed resolution, or proposing an alternative resolution to the Dispute. If the proposed resolution is rejected, the Parties may seek alternative remedies as they deem appropriate. If an alternative resolution is proposed, the recipient of that alternative proposal shall, within twenty-one (21) days after receipt, either accept the alternative or reject it. If it is rejected, the Parties may seek alternative remedies as they deem appropriate. Subject to the procedure outlined in this section, both Parties will have all legal remedies allowed to them by applicable law. The provisions of this section are strictly limited in scope to serve as a prerequisite to the enforcement of remedies under this Agreement. Failure by either Party to raise a Dispute through this process shall not constitute waiver or acceptance of an alleged violation of this Agreement.

Article VI Insurance

During the Term of this Agreement, the mobility provider shall maintain and enforce during the Term, at the mobility provider's own expense, at least the following coverages:

- (a) Workers' Compensation Insurance in accordance with state statutory laws, including Employers' Liability with minimum limits of \$1,000,000 each Accident;
- (b) Commercial General Liability Insurance including, but not limited to, product and completed operations, personal and advertising injury and contractual liability

coverage with minimum limits of \$1,000,000 Each Occurrence; \$2,000,000 General Aggregate; and

- (c) Commercial Auto Liability Insurance including a minimum combined single limit of \$1,000,000 each accident and Uninsured/Underinsured motorist coverage with a minimum combined single limit of \$1,000,000.

The mobility provider will include Coppell as an additional insured via blanket endorsement under the mobility provider's commercial general liability insurance policy. All policies maintained shall be written as primary policies, not contributing with and not supplemental to coverage Coppell may carry and will contain a waiver of subrogation against Coppell and its insurance carrier(s) with respect to all obligations assumed by the mobility provider under this Agreement. The fact that the mobility provider has obtained the insurance required hereunder shall in no manner lessen or otherwise affect such mobility provider's other obligations or liabilities set forth in this Agreement.
