

MEMORANDUM

To: Mayor and City Council

From: Jamie Brierton, Capital Programs Administrator
Kent Collins, P.E., Director of Public Works

Date: November 9, 2021

Reference: Bid #Q-0617-01 Pavement Crack & Joint Sealing- Renewal

2040: Pillar 0: Sustainable City Government
Goal 3: Well-maintained City Infrastructure

General Information:

- Pavement crack and joint sealant must be replaced periodically to extend the useful life.
- In 2017, the low bidder for the project was Scodeller Construction Inc., at an average price of \$2.80 per linear foot. This rate was also billed in 2020.
- The contract included renewal options for 5 years, which included the initial award plus 4 renewals.
- Due to the previous success of the crack sealing operation, staff recommends exercising the final renewal with Scodeller Construction, Inc.
- The budgeted amount for FY 2021/22 is \$150,000.00

Introduction:

This agenda item is being presented for the fourth renewal of the contract with Scodeller Construction, Inc. in the amount of \$150,000.00 for the Annual Pavement Crack & Joint Sealing Contract as budgeted in the Infrastructure Maintenance Fund (IMF) and authorizing the City Manager to sign.

Analysis:

This project will start in the winter of the 2021-2022 fiscal year. We are meeting with the contractor to review the locations and set the schedule. Sealing will be completed on East Sandy Lake Road from Denton Tap to MacArthur Blvd., and other major thoroughfares.

Scodeller Construction, Inc. has relevant experience working with the City as the crack seal contractor for the last nine years. Their previous work history indicates they can complete the project within the budget and the time allowed.

This contract includes crack and joint sealing work along major thoroughfares. As with previous crack sealing operations, street access will be restricted during the work. Work during the day will be limited to the hours of 9AM to 4PM. Night work is likely on major thoroughfares, as in previous years, from 9PM to 6AM along Sandy Lake Rd. from Denton Tap Rd. to MacArthur Blvd.

Legal Review:

The City's standard contract was utilized for this project, which is reviewed by the City Attorney periodically.

Fiscal Impact:

The fiscal impact of this Agenda item is \$150,000.00, as budgeted in IMF.

Recommendation:

The Public Works Department recommends approval of this item.
