Consider entering into a three-year cooperative agreement with Dallas County for participation in the Community Development Block Grant (CDBG) program, and authorizing the Mayor to sign.

Every three years, Dallas County is required to ask cities that participate in the CDBG program to renew their participation by entering into a new three-year cooperative agreement. Coppel has participated in this program since close to the beginning of the program's inception in 1988. The cooperative agreement is identical to the last agreement that Dallas County and the City of Coppel signed.
